

**Agreement of Cooperation
between
A.I.E.A.G. The Electronics Industry Association in Chile
and
Electronic Industry Association of Korea E.I.A.K.**

In view of the mutual interest between the Electronics Industries Association in Chile (AIE) and the Electronic Industry Association of Korea (EIAK), herethereafter referred by the Associations, in promoting and developing the electronic markets in their respective domains, both parties have agreed to develop mutual activities which will include:

1. Visit to both countries: Exchange of members of each association and encouraging members of both sides to join in social and professional activities. This visits may include attending to trade fairs, exhibits, companies, or any other activity that both sides see fit and agreed upon.
2. Foster business relationship among member companies.
3. Develop a mutually beneficial framework for gathering and reporting on key statistical indicators in their respective industries.
4. Promotional Materials: Exchange of EIAK and AIE of Trademarks and Promotional Materials. The Promotional Material may include: banners, logos, marketing materials and other trademarks. The use of the Promotional Materials needs to be agreed by both sides, and may be used to be published in both websites or other written materials Upon signing this agreement both sides agree to publish each other logo and link to the respective websites.
5. Support the implementation of international standards and conformity assessment procedures designed to enhance regional and global trade in electrical and electronic products.

Neither Associations, however, authorizes the other to represent or to act on its behalf in any matter without prior written disclosure, of the other concerning such representation.

This agreement shall enter into force on the date of signature hereof.
