**Agreement of Cooperation between A.I.E.A.G. Chilean Association of
Electronics Industries and Taiwan Electrical and Electronic Manufacturers'
Association (TEEMA)**

In view of the mutual interest of the two industry associations in the promotion and development of the electronics industries of their respective domains, the Chilean Association of Electronics Industries (AIE) and the Taiwan Electrical and Electronic Manufacturers' Association (TEEMA) have agreed to cooperate with each other in the following activities which will include:

1. Exchange of visits of members of each association and encouraging members of both sides to join together in friendly activities and to attend trade fairs and exhibits.
2. Foster business relationship among member companies.
3. Develop a mutually beneficial framework for gathering and reporting on key statistical indicators in their respective industries.
4. Exchange of TEEMA and AIE banners, to be published in both websites.
5. Support the adoption and implementation of international standards and conformity assessment procedures designed to enhance regional and global trade in electrical and electronic products.

Neither industry association, however, authorizes the other to represent it or to act on its behalf in any matter without prior consultation with and written agreement of the other concerning such representation.

This agreement shall enter into force on the date of signature hereof.
